

Striated - Promenade Slabs

Our Striated finish is a firm favourite with many of our customers and is often described as having a "bark" like finish.

It is the combination of attractive texture, high slip resistance, durability and high strength synonymous with "Castile" Striated slabs that makes them highly popular with our customers.

The extensive range of colours available gives excellent scope to find just the right colour for your application.

Striated Slip Resistance: 58 Wet (Low Potential For Slip) tested in accordance with BS EN 1339 Pendulum Test.
